# Notification of changes in circumstances

(Section 104 of the *Migration Act 1958*)

Form

1022

Important – Please read this information carefully before you complete this form. Once you have completed this form we strongly advise that you keep a copy for your records.

Section 104 of the *Migration Act 1958* (the Act) requires you to inform the Department of Home Affairs (the Department) of any changes in your circumstances that affect any answer to a question in your application form.

You do **not** have to notify the Department of any changes in your circumstances that occurred:

- after you were granted your visa (if you applied for your visa in Australia); or
- after you have been immigration cleared (if you applied for your visa outside Australia).

Use this form to notify the Department of any **changes** in your circumstances that affect any answers on your application form. You should use form 1023 *Notification of incorrect answer(s)* if you wish to notify the Department that you have supplied it with any **incorrect** information.

You must answer all questions on this form.

Please return this completed form to the office where you lodged your application or for any other matter (eg. proposed visa cancellation), to the office of the Department that is responsible for your matter. If you are unsure which office is responsible for your matter, this form may be submitted to the nearest office of the Department.

## WARNING:

- If you do not comply with section 104 of the Act and notify the Department of your new circumstances, your visa is liable to be cancelled under the *Migration Act 1958*.
- If you have been granted a visa, the information you provide on this form will be taken into account in deciding whether the visa should be cancelled.
- If you are an applicant for a visa which has not yet been granted, the information you provide on this form will be taken into account when assessing your visa application.
- If your visa is cancelled and you are in Australia, you will become an unlawful non-citizen. Unless you are granted a further visa, you will be detained and removed from Australia.
- If your visa is cancelled and you are outside Australia, and you subsequently travel to Australia, you will be refused immigration clearance and will be removed from Australia.
- If you subsequently discover that you have provided any incorrect information on this form, you must notify the Department that you have done so. Use form 1023 *Notification of incorrect answer(s)* to do this.
- Cancellation of a visa that already has been granted is not automatic. If you are in Australia, you will be given an opportunity to comment on the grounds for possible cancellation before a final decision on cancellation is made.

## Consent to communicate electronically

The Department may use a range of means to communicate with you. However, electronic means such as fax or email will only be used if you indicate your agreement to receiving communication in this way.

To process your application the Department may need to communicate with you about sensitive information, for example, health, police checks, financial viability and personal relationships. Electronic communications, unless adequately encrypted, are not secure and may be viewed by others or interfered with.

If you agree to the Department communicating with you by electronic means, the details you provide will only be used by the Department for the purpose for which you have provided them, unless the *Privacy Act 1988* allows them to be used for another purpose. They will not be added to any mailing list.

The Australian Government accepts no responsibility for the security or integrity of any information sent to the Department over the internet or by other electronic means.
